TOWN WARRANT

The State of New Hampshire

THE POLLS WILL BE OPEN FROM 9:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Loudon in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Loudon on Tuesday, the 11th day of March, next at 9:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article No. 2 through Article No. 30 will be taken up at the second session of the Annual Town Meeting on Saturday, March 15, 1986 at 9:00 A.M.. Meeting to be held at the Country Hall, Mudgett Hill Road.

Articles No. 31,32,33, and 34 will be by ballot on Tuesday March 11, 1986, from 9:00 A.M. to 7:00 P.M..

Article No. 3: To see if the Town will vote to allow a 2% discount on all property taxes paid within thirty days after presentation of the tax bill.

Article No. 4: To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow a sum or sums of money not to exceed in the aggregate more than 75% of the anticipated amount to be collected in taxes for the current municipal year and to issue in the name of and on the credit of the Town of Loudon negotiable notes therefore, said notes to be paid in 1986 from taxes collected during the current year.

Article No. 5: To see if the Town will vote to authorize the Selectmen to dispose of land acquired by tax deed from the Tax Collector.

Article No. 6: To see if the Town will vote to authorize the Selectmen to apply for, accept and expend without further action by the Town Meeting money from State, Federal or other governmental unit or private source which becomes available during the fiscal year RSA 31:95-b.

Article No.7: To see if the Town will vote to legalize the expenditure of \$7,115.00 paid to the United Appraisal Company, during 1985 as payment for a percentage of work completed according to the terms of the contract.

Article No. 8: To see if the Town will vote to authorize the Selectmen to withdraw and expend the sum of \$25,000.00 from the Capital Reserve Fund, for the reappraisal of property, this reappraisal is now going on, terms of the contract are to make payments as the work progresses.

Article No. 9: To see if the Town will vote to authorize the Selectmen to withdraw from Revenue Sharing Funds, established under provisions, of the State and Local Assistance Act as of 1972, for use as set off against budgeted appropriations for the following priority purposes and in the amount indicated;

1.	To be applied towards the purchase of a police cruiser	\$ 1,913.00
2.	To be applied as a supplement to the Library Budget	2,000.00
3.	To be applied towards the matching funds of the Recreation Committee to develop the Loudon Recreational Facility	8,000.00
4.	To be applied for maintainence of a Town building. . . .	5,000.00
5.	To be applied towards the purchase of a loader for the Highway Department.	10,739.00
		<hr/>
		\$ 27,552.00

Article No. 10: To see if the Town will vote to establish a Solid Waste Capital Reserve Fund and appropriate the sum of \$30,000.00, said sum being approximately one half of that which is estimated to be ultimately required, for the survey, planning, design and construction of a solid waste transfer facility to be located at the existing landfill site.

Article No. 11: To see if the Town will vote to authorize the Selectmen to withdraw funds as necessary, not to exceed \$5,000.00, from the Solid Waste Capital Reserve Fund, to be applied towards the costs of surveying and designing the proposed Solid Waste Transfer Facility.

Article No. 12: To see if the Town will vote to raise and appropriate the sum of \$11,366.00 for the purchase of a new police cruiser, and to further authorize the Selectmen to withdraw from the Police Dept. Capital Reserve Fund the sum of \$9,453.00 for this purchase the balance to come from the Revenue Sharing Funds \$1,913.00.

Article No. 13: To see if the Town will vote to authorize the Selectmen to withdraw from the Recreation Capital Reserve Fund the sum of \$32,000.00,

to be used as matching funds that are expected from a Federal Grant, for the Recreation Facility, balance to come from Revenue Sharing Funds.

Article No. 14: To see if the Town will vote to raise and appropriate the sum of \$80,000.00 for the Recreation Committee, to develop the Loudon Recreation Facility, \$40,000.00 to come from an anticipated Federal Land and Water Conservation Fund, Selectmen are directed to apply for, accept and expend Federal Land and Water Conservation Grant Funds or other Federal or State Funds, which may be available for this project to reduce the cost to the Town. \$32,000.00 to come from Capital Reserve Funds, and \$8,000.00 to come from Revenue Sharing Funds, (In the event the Federal or State Funds are not forthcoming the Town will not proceed with this project.) and the funds will not be expended.

Article No. 15: To see if the Town will vote to establish a Library Capital Reserve Fund under the provisions of RSA 35:1, in the amount of \$10,000.00, purpose of the fund is Library expansion and alterations. (By request of the Library Trustees.)

Article No. 16: To see if the Town will vote to raise and appropriate the sum of \$11,000.00 to provide handicapped accessibility and necessary renovation to the Maxfield Public Library. This figure consists of professional services fees plus costs of labor and materials necessary to build a handicapped ramp, a new library entrance and to change the circulation area. (By request of the Library Trustees.)

Article No. 17: To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for an addition to the Loudon Village Fire Station.

Article No. 18: To see if the Town will raise and appropriate the sum of \$105,000.00 for the purchase of a new National Fire Protection Association and Underwriters approved fire truck and to authorize the Selectmen to withdraw from the Fire Department Capital Reserve \$96,500.00, to apply towards this purchase, balance of \$8,500.00 to be raised by additional appropriations.

Article No. 19: To see if the Town will vote to authorize the Selectmen to purchase a loader for the Highway Department for a sum not to exceed \$32,250.00, and to further authorize the Selectmen to withdraw from Highway Dept. Capital Reserve Funds in the amount of \$21,611.00 for this purpose, and to use Revenue Sharing Funds in the amount of \$10,639.00 also for this purpose.

Article No. 20: To see if the Town will vote to close Brown's Lane from the Junction of Route 106 to the dead end at Stones residence. (By request.)

Article No. 21: To see if the Town will vote to reclassify the Bee Hole Road (½ mile on the Chichester Road end.) from a class VI Town Road to a Class V Town Road. (By **Petition**)

Article No. 22: To see if the Town will vote by ballot, to maintain approximately 1/3 Mile of Road which runs east/west between Hollow Root Road and Mudgett Hill Road. (By Request)

Article No. 23: To see if the Town will vote to authorize the Trustees of the Maxfield Public Library to use funds obtained from copier charges to help defray the cost of the copier maintenance, supplies and replacement, as required by RSA 202-A;11a.

Article No. 24: To see if the Town will authorize the Trustees of the Trust Funds to also serve as trustees of the Cemetery Funds.

Article No. 25: To see if the Town will authorize the Selectmen to appoint a committee to establish a Town Seal.

Article No. 26: To see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of LOUDON and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy (DOE'S) present plan to dispose of radioactive waste and into DOE'S competence to carry out such a plan. (By **Petition**)

Article No. 27: To see if the Town will appropriate and expend monies each year for the rental of two (2) chemical toilets to be situated at Clough Pond Beach for the period May - September (Current, rental rates are \$75.00 per month for 2 units; including placement, maintenance and retrieval) (By **Petition**)

Article No. 28: No mining operations shall be permitted at any site within the Town, except for these sites already used for gravel excavation prior to the effective date of this ordinance. This ordinance shall become effective immediately upon it's passage and shall remain in effect until such time as all opened and reclaimed gravel pits existing within the Town have been fully utilized for their gravel-producing potential and have been properly reclaimed. (By **Petition**)

Article No. 29: To see if the Town will vote to adopt the Welfare Guidelines as prepared by the New Hampshire Municipal Association., Copy of the Guide Lines are on file with the Town Clerk. (**Recommended by the Selectmen.**)

Article No. 30: To see if the Town will vote to regulate the Bryar Motorsport Park under the provisions of RSA 31:41 by:

- a. Establishing Hours of Operation, limiting noise producing activities at the raceway to the hours between 9 AM and 9 PM Monday through Saturday, and 12 noon and 6 PM on Sundays; and
- b. Authorize the Loudon Selectmen to establish such other regulations as may be necessary to maintain residents' right to quiet enjoyment of property in residential areas. (**By Petition**)

Article No. 31: Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.00 (**By Petition**) To be voted by ballot March 11, 1986.

Article No. 32: To see if the Town will vote to adopt the PERMANENT ZONING as proposed by the Planning Board. This article will be voted by ballot March 11, 1986.

Article No. 33: To see if the Town will vote to adopt the INTERIM GROWTH MANAGEMENT ORDINANCE as proposed by the Planning Board. This article will be voted by ballot on March 11, 1986.

Article No. 34: To see if the Town will vote to authorize the Planning Board to prepare and amend a recommended program of municipal Capital Improvements in accordance with RSA 674:5. This article will be voted by ballot on March 11, 1986.

Article No. 35: To transact any other business that may legally come before said meeting.

Given under our hands and seal, this eleventh day of February, in the year of our Lord nineteen hundred and eighty-six.

MELVIN G. GULLAGE
RAYMOND C. CUMMINGS
ROGER A. MAXFIELD
Selectmen of Loudon

ZONING AND PLANNING ORDINANCES

BY A VOTE OF THE TOWN OF LOUDON, ON MARCH 11, 1986,
THE FOLLOWING ORDINANCES WERE ADOPTED.

- A. Definitions. When used in this subdivision the following terms shall have the meanings given to them in this section:
 - I. "Frontage" means that portion of a lot bordering on a highway, street or right-of-way.
 - II. "Lot" means a parcel of land at least sufficient in size to meet the minimum requirements for use, coverage and area and to provide required yards and other open spaces. An undersize lot is permissible if it passes state standards for soil conditions and substantially meets the requirements here and if in existence on the date of adoption of this ordinance.
 - III. "Manufactured housing" means any and all forms of modular, unitized, or prefabricated housing, as well as mobile homes which are brought to and assembled on a building site, placed on a foundation and tied into all conventional and necessary utility systems and which are intended to be used as permanent dwelling units. "Manufactured housing" does not include housing or mobile homes which are fully constructed on the site.
 - IV. "Non conforming" means use of land, building or premise which is not a use permitted by the provisions of this ordinance for the district in which such land, building or premises is situated.
 - V. "Permanent building" means any building resting upon a foundation or otherwise legally defined as "real estate".
 - VI. "Permanent resident" means an individual or family using any building continuously as a residence for a period of 6 months or more.
 - VII. "Right-of-way" means and includes all present and proposed town, state and federal highways and the land on either side of same as covered by statutes to determine the widths of rights-of-way.
 - VIII. "Setback" means the distance between the nearest portion of a building and a lot or right-of-way line, whichever is closer.
- B. Districting. For the purpose of regulating the use of land and the location and construction of buildings, the town shall be considered as one district with the following regulations and restrictions:
 - I. It shall be a district of residential agricultural use only. Business, commercial and industrial uses are prohibited in this district except as hereinafter provided.
 - II. Two apartments for permanent residents shall be the maximum allowable in any one given building.

- III. There shall be observed the following setbacks in the construction of new buildings or in the relocation of existing ones:
- (a) Minimum distance between any building and the edge of a right-of-way shall be 50 feet.
 - (b) Minimum distance from a lot's sidelines to any building shall be 30 feet; providing, however, that small detached accessory buildings may, as a special exception, be approved to within 15 feet of a lot line if the Board of Adjustment finds this would not be detrimental to the neighborhood.
 - (c) Minimum distance from a lot rearline to any building shall be 40 feet; providing, however, that small detached accessory buildings may, as a special exception, be approved to within 20 feet of a lot rearline, upon a finding of no detriment to the neighborhood.
 - (d) Maximum height of any building shall be 35 feet with determination being the vertical distance from the average finished grade surrounding the building to a point midway between the highest and lowest points of the highest roof. Silos, barns and church towers are excepted, as are residential television and radio antennas.
 - (e) A deviation of 20 percent is allowed for side and rear setbacks in extenuating circumstances, as shall be recommended by the Planning Board or the Selectmen if there is no Planning Board.
- IV. Home products and produce may be bought and sold and exposed for sale in this district.
- V. Hotels, motels and tourist homes may be maintained and operated, by special exception, provided that there be adequate parking and traffic provisions, that health standards be maintained, and that there be no detriment to the neighborhood.
- VI. Private schools, nursing homes and sanitariums may be maintained by special exception, provided that there be adequate parking and traffic provisions, that health standards be maintained, and that there be no detriment to the neighborhood.
- VII. No building or set of buildings shall occupy more than 30 percent of its lot, nor shall it occupy more than 60 percent of its frontage if its front yard is less than 100 feet deep.
- VIII. No building, residence, or manufactured housing may be located anywhere in this district unless it meets all of the area and yard requirements of a residence in this district.
- IX. For the purpose of this ordinance, outdoor advertising shall be classified as commercial use and shall be permitted only in conforming to the following regulations:

- (a) An outdoor sign shall not be larger than 6 square feet.
- (b) It shall not be placed within 25 feet of a right-of-way nor within 150 feet of an intersection of a right-of-way unless affixed to a building and not extending beyond or above the same by more than 3 feet.
- (c) Illumination shall be only by continuous non-flashing and non-colored lights.
- (d) A permit for erection shall be procured from the building inspector, where present, and at the usual fee in accordance with the normal procedures in the community.

- X. Cluster development shall be permitted if the density does not exceed the provisions of paragraph III and if all other provisions of this ordinance apply.

C. General Provisions.

- I. The Planning Board of Permit consists of members of the Planning Board and the Board of Selectmen, chaired by the Chairman of the Planning Board.
- II. A building permit is required for the location and erection of any building or other cover to be used for human habitation within the limits or boundaries of the incorporated Town of Loudon, N.H., such building permit to be issued by the Planning Board of Permit upon application by the person or parties desiring to locate, build or erect such building, structure or cover.
- III. The Planning Board of Permit shall not issue a building permit herein before described if the proposed building, structure, or other cover contains less than 700 square feet of floor surface, outside measurements exclusive of garage and storage space other than ordinary household closets and stairwells.
 - (a) The fee for permits for new buildings is \$5.00 per 100 square feet of potential living area.
 - (b) The fee for additions to existing buildings is \$10.00.
- IV. Any building, structure or other cover built or erected as authorized by this ordinance shall be completed as to exterior work, which shall mean the application of suitable siding, shingles or other commonly accepted material, within a period of two years from date of permit. The installation of sanitation facilities must be completed prior to the receipt of an occupancy permit.
- V. All building permits will expire one year from date of issue if the cellar is not completed.
- VI. A mobile home or trailer used for human habitation can only be located in an approved mobile home park or mobile home subdivision created for the placement of mobile homes on individually-owned lots. This requirement is not intended to

apply to a pre-built building assembled on the site from two or more modules and having a completed width of 18 feet or greater and situated on a permanent foundation. A permanent foundation means a cellar of solid cement or cement block walls.

VII. A building permit may be issued for a lot having less than the designated minimum road frontage provided that the lot, excluding the right-of-way into the lot, meets the designated minimum area requirements and that the house is located in accordance with the set-back requirements of B-III herein. Creation of such lots by subdivision may be accomplished only by special exception.

VIII. Deeds provided as proof of ownership as may be required for certain building and sub-division permits must have been recorded at the Merrimack County Registry of Deeds prior to submission as evidence.

IX. A building permit will not be issued until WSPCC approval for construction of the septic system has been obtained.

X. A sub-division permit will not be issued until WSPCC approval for the sub-division has been obtained.

XI. Building permits are not transferable until construction of the subject building has progressed at least as far as completion of the foundation.

XII. Building permits may be issued only for lots containing at least two (2) acres and having at least 200 feet of road frontage if the building is a single family residence. For a duplex residence the requirements are three (3) acres and 250 feet of road frontage. Exceptions to these requirements are:

(a) Pre-existing lots subdivided prior to March 8, 1979.

(b) Lots referred to in C.-VII.

XIII. The temporary location and use of travel trailers, motor homes and pick-up campers in the Town will be permitted for a period of time not to exceed ninety (90) days in any one calendar year.

D. Agricultural Use. "Agricultural use" shall mean land used for agriculture, farming, dairying, pasturage, apiculture, horticulture, floriculture, silviculture and animal and poultry husbandry. Any such uses are permitted under these ordinances except as restricted below:

I. The slaughtering of animals or poultry, except such as are raised for use of an owner or occupant; and the raising of animals or poultry or both for commercial purposes are permitted only as exceptions and subject to the following regulations:

(a) A lot shall be 8 acres or more in area.

(b) Each lot shall have at least 500 feet in frontage if adjacent to a right-of-way.

(c) A building for these purposes shall be placed at least 100 feet from any right-of-way.

(d) A building shall be located at least 200 feet from side or rear lines.

(e) Before approval by the Board of Adjustment, a public hearing shall be held with at least 15 days' notice of the time and place of the public hearing published in a paper of general circulation in the town or village district and with a legal notice thereof posted in at least 3 public places in the town or village district.

II. The proposed use shall not be approved if the Board finds that it will cause hazard to health, property values or safety through fire, traffic, unsanitary conditions or through excessive noise, vibration, odor or other nuisance feature.

E. Commercial Exceptions. Business, commercial or industrial ventures other than those mentioned in B. or C. may be given special exception by the Board of Adjustment upon submission and approval of a site plan; provided, however, that the following regulations and restrictions shall be observed:

I. No business, commercial or industrial venture or use shall be permitted which could cause any undue hazard to health, safety or property values or which is offensive to the public because of noise, vibration, excessive traffic, unsanitary conditions, noxious odor, smoke or other similar reason.

II. Sufficient acreage shall be included to allow the following setbacks:

(a) In the front, not less than 75 feet from a right-of-way to any building or parking lot having both an exit and an entrance and with grass or beautification in the buffer area.

(b) Side and rear: Not less than 50 feet from a building or parking lot to the lot line.

(c) Sufficient off-street parking to allow 300 square feet for each 3 anticipated patrons or employees on premises at the same time. In the case of service establishments, one car shall be deemed to contain 4 patrons.

III. On-premise advertising signs in connection with businesses receiving approval shall be exempt from the provisions of this ordinance and shall be considered as part of the application for commercial exception. They shall be limited to not more than 20 square feet in size and may be illuminated only by non-colored, non-flashing lights. Location may not be within any right-of-way nor within 150 feet of any intersection unless attached to a building.

IV. Before mining, excavation, or removal of soil, rock, sand or gravel or similar material, a special exception shall be received from the Board of Adjustment, subject to the usual fee permit. Excavation

of earth shall be made in accordance with RSA 155-E and the Board of Adjustment will be the designated “Regulator” of RSA 155-E.

- V. All known abutters of any proposed business, commercial or industrial site shall be notified by the Board of Adjustment by certified mail at least one week prior to any public hearing regarding the site. The names and addresses of the known abutters shall be supplied by the applicant on a plot plan to be submitted to the Board of Adjustment.
- F. Nonconforming Buildings, Land, or Uses.
 - I. All non-conforming properties in active use when this ordinance is passed and adopted may continue indefinitely in their present use.
 - II. Any and all non-conforming property may be altered and expanded as the business and conditions warrant, providing, however, that any such expansion does not make any existing conforming structure non-conforming within the terms of this ordinance; nor shall such expansion bring any building within 35 feet of an abutter’s building; nor shall the height exceed the limits as defined herein, nor shall the use of such property be materially altered in purpose.
 - III. Any and all non-conforming property which is partially or totally destroyed by reason of obsolescence, fire or other act of God may be restored, remodeled and operated if done within 2 years; providing, however, that proximity to a lot line or right-of-way may be no nearer than the lesser of the original building and the setbacks defined herein, and the height does not exceed the limits set forth herein.
- G. Board of Adjustment and Administrative Provisions. Upon adoption of this zoning ordinance and while it remains in effect, the Board of Selectmen shall be the appointing authority for the Zoning Board of Adjustment and shall appoint the first such Board forthwith. Such Board shall have all the powers and jurisdiction and be subject to all the duties, requirements and other provisions applicable to zoning boards of adjustment under RSA 673. The Board of Selectmen, if no building inspector exists, shall act jointly as the building inspector and administrative officer charged with enforcement. The applicable provisions of RSA 677 shall govern motions for rehearing, appeals, enforcement and interpretation. In addition to other remedies, any person convicted of violation of the provisions of this zoning ordinance by a court of competent jurisdiction shall be subject to a fine of not more than \$50 for each offense. Each day the violation continues shall constitute a separate offense.

H. Relationship to Existing Ordinances.

- I. Nothing contained in this ordinance shall be construed as repealing or modifying any other ordinance of this Town, except as may be specifically repealed or modified by this ordinance, but shall be in addition thereto. Nor shall anything in this ordinance be construed as repealing or modifying any private restrictions placed upon property by covenant, deed or other private agreement, or any restrictive covenants running with the land to which the Town is a party, but shall be in addition thereto.
 - II. Whenever the provisions of this ordinance differ from those prescribed by other statute, ordinance, regulation or restriction, that provision which imposes the greater restriction or the higher standard shall apply.
- I. Saving Clause. The **invalidity** of any provision of this ordinance shall not affect the validity of any other provisions.

**Board of Adjustment
Town of Loudon**

By-Laws

AUTHORITY

1. These By-Laws are adopted under the authority of New Hampshire Revised Statutes Annotated, Chapter 673:I-IV and the Zoning Ordinance and Map of the Town of Loudon.

OFFICERS

1. A Chairmperson shall be elected annually by the Board in the month of March by a majority vote of the Board. Said Chairperson shall serve for one year and shall be eligible for re-election. He/she shall preside over all meetings and hearings, appoint such committees as directed by the Board and shall affix his/her signature in the name of the Board.
2. A Vice-Chairperson shall be elected annually by the Board in the month of March by a majority vote of the Board. Said Vice-Chairperson shall serve for one year and shall be eligible for re-election. Said Vice-Chairman shall preside in the absence of the Chairperson and shall have the full powers of the Chairperson on matters which come before the Board during the absence of the Chairperson.
3. A clerk shall be hired at the discretion of the Board. He/she shall maintain a record of all meetings, transactions, findings of the Board, and perform such other duties as the Board may direct by resolution.
4. Whenever a member of the Board is unable to attend a regular or specially called meeting of the Board or to perform other responsibilities, said member will notify the Chairperson who will select one of the alternates to assume the responsibilities.

MEETINGS

1. Regular meetings shall be held at the Loudon Police Station at 7:30 p.m. on the 4th Thursday of each month. Other meetings may be held on call of the Chairperson provided public notice and notice to each member is given at least 24 hours excluding Sundays and legal holidays prior to such meetings.
2. Quorum. A quorum for regular business shall consist of three members. A quorum for a hearing and deciding an appeal shall consist of three members, but decisions of the Board of Adjustment shall be made by five members of the Board. If a member disqualifies himself or cannot act in a particular case, he/shall so notify the Chairperson who shall appoint an alternate who shall have all the powers and duties of a regular member in regard to the appeal or appeals under consideration on which the regular member is unable to act.
3. Order of Business. The order of business for regular meetings shall be as follows:
 - a. Roll call by the Clerk
 - b. Approving minutes of previous meeting
 - c. Public hearing
 - d. Unfinished business
 - e. New business
 - f. Communications and miscellaneous business
 - g. Adjournment
4. Public Hearing. The conduct of public hearings shall be governed by the following rules:
 - a. The Chairperson shall call the meeting to order and call for the Clerk's report on the first case.
 - b. The Clerk shall read the application and report on the manner in which public notice and personal notice were given.
 - c. The applicant shall be called to present his/her appeal and those appearing in favor of the appeal shall be allowed to speak.
 - d. Those in opposition to the appeal shall be allowed to speak.
 - e. The applicant and those in favor shall be allowed to speak in rebuttal.
 - f. Those in opposition to the appeal shall be allowed to speak in rebuttal.
 - g. The Chairperson shall present a summary setting forth the facts of the case and the claims made for each side. Opportunity shall be given for correction from the floor.
 - h. Members of the Board may ask questions at any point during the testimony.
 - i. Any member of the Board, through the Chairperson, may request any party to the case to reappear.
 - j. Each person who appears shall be required to state his name and

address and indicate whether he is a party to the case or an agent or counsel of a party to the case.

- k. Any party to the case who desires to ask a question of another party to the case must do so through the Chairperson.
- l. Any person who desires the Board to compel the attendance of a witness shall present his request in writing to the Chairperson not later than 10 days prior to the public hearing.
- m. The hearing on the appeal shall be declared closed and the next case called up.

5. Applications.

- a. Each application for a hearing before the Board shall be made on forms provided by the Board and shall be presented to the Clerk of the Board of Adjustment who shall record the date of receipt over his/her signature. At each meeting, the Clerk shall present to the Board all applications received by him/her prior to the beginning of the meeting.
- b. The Board shall reject all applications not properly completed. All other applications shall be scheduled for a public hearing to be conducted within 30 days of receipt by the Board.
- c. The Board shall decide all cases within 30 days of the date of the hearing. Notification of the decision shall be made on a form provided by the Board which shall be sent to the applicant, the Town Clerk, the Planning Board, the Building Inspector and filed in the records of the Board of Adjustment.

6. Forms. All forms prescribed herein and revisions hereof shall be adopted by resolution of the Board and shall become part of these By-Laws.

7. Public Notice.

- a. Public Notice of public hearings on each application shall be given in the Concord Monitor and shall be posted at the Selectmen's Office, Police Station, Town Library and two local stores not less than five (5) days before the date fixed for the hearing. Such notice shall include the name of the applicant, description of property to include tax map identifications, action desired by the applicant, provision of the zoning ordinance concerned, the type of appeal being made and the date, time and place of the hearing.
- b. Personal notice shall be made by certified mail, return receipt requested, to the applicant and all abutters to the applicant's property. Notice shall also be given to the Planning Board, Selectmen, Town Clerk and other parties deemed by the Board to have special interest. Said notice shall contain the same information as the public notice and shall be made on forms provided for this purpose.

8. **Amendment.**

These By-Laws may be amended by a majority vote of the members of the Board provided that such amendment is read at two successive meetings immediately preceeding the meeting at which the vote is to be taken.

Interim Growth Management Ordinance
Town of Loudon, N. H. March 11, 1986
Source. R. S. A. 674:23

The Town of Loudon, New Hampshire, enjoying the protection of an Interim Growth Management Ordinance, identical in form to the one herein proposed, is aware of the necessity of creating a similar ordinance for its permanent protection against unmanaged growth. Applications for the permitted 50 building permits (5% of the Town's dwelling units) numbered 55 at the January 16, 1986 meeting of the Planning Board, an obvious indication of the potential for escalating population beyond the ability of the Town to provide essential services without an excessive burden on the home owners of the Town who are the primary financial resource through property taxation.

The preparation of a permanent Growth Management Ordinance in accordance with RSA 674:5. This authorization will be requested at the March 11, 1986 Town Meeting and, if granted, will allow preparation of the Permanent Ordinance to take place.

Measures to be taken to reasonably manage the growth of the Town of Loudon, New Hampshire are:

1. Building permits issued in the Town of Loudon, N.H. shall be limited to that number reflecting an increase of 5% in the Town's dwelling units in a one-year period. Permits will be issued on a first-come first-serve basis with the following limitations:
 - a. The number of permits issued to a single landowner will be limited to five (5) permits per year.
 - b. Twenty-five (25) percent of the total permits available will be reserved for landowners whose building is intended to be used as their permanent place of residence as indicated on the Building Permit Application. These permits will be reserved until the following January meeting of the Board of Permit at which time any remaining applications will become available to any applicant subject to (a) above.
2. The number of lots approved in any new subdivision will be limited to five (5) in any 12-month period.
3. All provisions of existing ordinances applicable to building and subdivision permits in the Town of Loudon, N.H. will continue to be in effect except, when existing ordinances conflict with this newly enacted ordinance, in which case the newly enacted ordinances will supercede the old.
4. The Town of Loudon Master Plan adopted on December 12, 1985 will serve as a guide for growth management planning within this town.

SELECTMEN'S REPORT

We must report that the Town is experiencing both rapid growth and a demand for expanded services, to include tar roads, membership in the Regional Waste Cooperative, fire, highway, police equipment, school costs, and the recent state mandated property revaluation. It has become impossible to hold our property taxes in check. The Selectmen fully support our service departments, but must ask the townspeople to assist us in establishing a balance between "NEED" and "WANT" when considering the many capital reserve items at Town meeting. For example, the capital reserve "WANT" list of special warrant articles totals \$63,000.00. This amount equates to 33.2% of the municipal budget. Further, most citizens are aware of the Merrimack Valley School Districts proposal to build a new Middle School and expand elementary facilities. We can only imply as to what effect this would have on all individual property taxes.

On the positive side, Loudon has an excellent opportunity to finally establish a much requested recreational facility. The town was recently placed number two on a statewide list to receive \$40,000.00 in state/federal funds for this purpose, and the Recreational Committee will present, at Town Meeting, their proposal to match this amount.

The Planning Board recently published and accepted an updated Master Plan for Loudon. The Board is to be complimented for their hard work on this outstanding plan. As you know, the Planning Board proposes to officially adopt the Interim Temporary Zoning Plan, which has been highly effective in guiding our Town for the past two years. This issue will be voted by ballot on March 11, 1986, and not at the Town Meeting March 15, 1986. All comments received at this office from the townspeople have been positive and supportive of this plan. The Selectmen fully support its adoption.

We continue to thank the individuals who make up our boards, committees and commissions for their work, and civic contribution they make on behalf of the Town of Loudon. We pay special thanks to Arthur Colby for the many hours spent refurbishing the Veterans Memorial at the Public Library.

HIGHWAY DEPARTMENT REPORT

In 1985 the Highway Department had a very busy year with the following projects to complete along with our regular maintenance. Lesmerise Road was graveled and shaped up with a "Farmers Mix" top added, this was then sealed. A roadway was installed into the recreation area, three bridges were replanked, and 3000 yards of Crushed Gravel was applied to our gravel roads. Five and a half miles of our paved roads were sealed. This included ditch work, brush cutting, and shimming with 700 yards of cold patch to these same roads.

The new grader that was purchased this year has proven to be a great asset to our road maintenance and snow plowing activities. In October the Town rented a new loader with a lease/purchase agreement. This was decided upon because our loader was in such need of repair, that it proved to be more feasible to take this route than to invest nearly the same amount in a machine that is fifteen years old.

Once again I would like to remind anyone who has any questions to feel free to call me at 783-4568.

KEVIN S. GULLAGE
Road Agent

LANDFILL REPORT

The Landfill should last until the Concord Solid Waste Plant opens in Concord. Everyones cooperation in the proper disposal of the waste will make this goal much easier to obtain.

Thought is being given to the design of a transfer station to be located at the present Landfill sight.

The hours of the Landfill operation are as follows:

Winter Hours:

December 1st to April 1st

Tuesday 9 AM to 5 PM

Saturday 8 AM to 5 PM

Summer Hours:

April 1st to December 1st

Tuesday 9 AM to 6 PM

Saturday 8 AM to 6 PM

KEVIN S. GULLAGE
Road Agent

POLICE DEPARTMENT REPORT

The Loudon Police Department consists of the Police Chief, two full time officers as well as four special officers.

This year your Police Department is introducing for your consideration one warrant article. This pertains to the expenditure of money from the Capital Reserve Fund to purchase a new cruiser. This fund was established for the purpose of replacing the Police Department cruiser every two years. We strive to set a high level of protection and assistance for you by constant patrols and property checks of all roads and areas some of which are not publicly open. In order to maintain the coverage and protection you as taxpayers deserve and depend on we have to have reliable equipment.

In the past year our department has investigated 1,043 cases. As the Town grows in population, so do the number of complaints.

I would like to take this opportunity to express my appreciation to the Fire Department, Town and State Road Crews, Selectmen, State and Sheriff's Department for all their assistance and understanding.

Please remember we are your Police Department and here twenty-four hours a day to serve you. If you believe a crime has been or is about to be committed, call the Loudon Police Department at 228-1631. If you see a crime being committed call us immediately stating all information clearly. We depend on and appreciate your cooperation. We will once again in the coming year strive to serve you with the professionalism and integrity you deserve.

Respectfully,

ROBERT N. FISKE
Chief of Police

LOUDON VOLUNTEER FIRE DEPARTMENT

The Loudon Fire Department, including its Medical Squad, continues to function as a group of dedicated townspeople helping their neighbors. This system has worked adequately over the years, but with the growth of the town, number of calls, and added maintenance of equipment, volunteer time has become in short supply. Some relief in the future will become needed.

The department is asking to replace a 1966 tank truck in accordance with its planned replacement program. To maintain a quality department, good equipment is necessary.

We wish to thank all town departments for their excellent cooperation during the year and the the Fire Department Auxiliary for their continuing support.

All townspeople are urged to practice home fire prevention, including constant checking of chimney conditions. Every home should have at least one smoke detector.

Emergency fire number stickers are available free from the Fire Department.

Emergency calls handled by the Loudon Fire Department totaled 228 for 1985. This reflects a 23% increase over 1984.

REPORT OF THE PLANNING BOARD

It appears that the 5% growth rate cap on building permits has been effective in stemming the impact of what otherwise would have been a housing boom of unequaled proportions for the town. The authorized 47 permits for 1985 were issued by April and the Board accepted applications for 1986 throughout the summer and fall, having about 12 on hand by year end. A flood of applications during the first half of January brought the total to 55 by the regular meeting date and the 50 authorized for 1986 were issued the first meeting. These were split about evenly between developers building on speculation and landowners building their own residence. Strong growth pressures are also evident in the subdivision category even though each subdivider is limited to 5 lots per year. 39 subdivisions were approved in 1985 creating a total of 117 lots. This compares with an average of 40 lots per year for the past 10 years with a maximum of 55 lots created in 1979. At this writing the Board is considering subdivisions either applied for or discussed informally which will create 52 new lots.

It is apparent that continued regulation is necessary if we are to keep the rate of growth of the town at a manageable level.

The Master Plan for the town started last spring was completed near year's end and adopted in December following the required notifications and hearings. This is the first and most formidable of several building blocks which, in accordance with State law, must be in place before a Town can adopt additional ordinances of its own. Because of the complexities involved in properly sequencing the adoption of other ordinances, there was not sufficient time prior to Town Meeting to generate and discuss a zoning ordinance tailored to the specific needs of the Town. Therefore, the Board is requesting that you adopt on a permanent basis the zoning ordinance drafted by the State and adopted by the Town on a temporary basis in 1984. This will give us the protection needed while the Board continues working on our own zoning ordinance.

The Board is also requesting that you adopt on a temporary basis for one more year, the same Growth Management Ordinance adopted in 1984. A permanent Growth Management Ordinance can not be adopted until additional building blocks are in place, one of which is the authority by the voters directing the Planning Board to recommend a Capital Improvements Program to the Selectmen; the third item you will be asked to support by ballot on March 11th.

These two ordinances have served the Town well in keeping a check on explosive growth since 1984. By your 350 thoughtful responses to the

questionnaire circulated last spring, you indicated general satisfaction with the growth rate resulting from their application. Therefore it is imperative that you keep these tools in place while a specific ordinance package is being worked on.

Respectfully submitted,

ROBERT P. ORDWAY
Chairman

MAXFIELD PUBLIC LIBRARY TRUSTEE REPORT

We again express our sincere appreciation for the gifts of books, magazines, and services donated to the library. As in the past, the library building has been used by the N.H. Division of Public Health's Vision and Hearing Program and by the Supervisors' of the Checklist for new voter registration. Additional community usage has been through the formation of a Friends of the Library group and a summer reading program held for Loudon's youth in cooperation with the PTO. Of disappointment to the Trustees was the turn out by Town residents at the May 18th open house which celebrated the library's 75th anniversary.

A new well was drilled in conjunction with the fire department and the septic tank was located and cleaned. Another bookcase was built by Mr. Robert Haines utilizing Peg Buzzell Memorial Funds.

This year the Trustees has requested that warrants be placed before the citizens of Loudon for their vote. To better understand the need for these warrants, some historical information is included herein. The Maxfield Public Library is located next to the Loudon Village Fire Station on Village Road. The library was built in 1909 with money willed to the Town by William Maxfield for that purpose and it still receives a check annual from a trust fund set up with monies left by Mr. Maxfield. Through 1984 these funds, along with some fine money, paid the total library maintenance and book budget. In recent years, Town funds have been used to pay the librarian's salary and benefits.

In 1983 the State Library budget was reduced and bookmobile service to towns stopped. Loudon depended heavily on this service because of it's limited library resources. In 1984 the library requested and received revenue sharing funds to purchase badly needed reference materials and for the first time used a portion of Town funds to help purchase books. This past year the Town made a slight increase in funds to the library and signed over its used copy machine from the Selectmen's Office. The public is encouraged to use the machine either for personal use or to copy library materials.

During 1985, the State Library finalized standards which N.H. libraries must meet by January 1, 1988. Because of these new standards plus Loudon's population growth, additional library obligations will have to be met. The items necessitating additional expense are 1). handicapped accessibility, 2). additional library hours.

The Trustees' goal is to meet accessibility requirements this year. A

warrant article is entered for Town approval to cover these costs. The State will have matching library construction funds available in 1986. These funds are receivable on a competitive basis. In order to comply with application regulations, registered architectural plans must be submitted.

The Capital Reserve is requested so the Town can have the opportunity to set aside funds for a future addition to the library. At the Town's present rate of growth, more library space will be necessary in the future. The new master plan indicates the library is already below space requirements for the Town's population.

We feel these requests are reasonable and welcome your positive input both at this meeting and in the future.

Maxfield Public Library Trustees

ARLENE STORRS

JEAN EVERSON

THERESA BATCHELDER

It is with regret that we must include in our report the loss of Arlene Storrs as a trustee. She served as a devoted trustee since 1974. Her friendship and support will be sorely missed.

Regrettably, not all of the objectives for 1985 were met. However, a copy machine is in place to serve the public and the needs of the library patrons. Some service has been established for shut-ins. More can be done if the library is advised where a need exists.

In 1985 one-half of the book budget was utilized for children's books at the grades three through six level because the need there was critical. I plan to more evenly balance the purchases in 1986 between juvenile, adult and reference books.

During the past year the library has provided an opportunity for patrons to view a different work of Art each month.

A children's reading program was held with the cooperation of the Parent-

Teacher group from the Loudon Grade School. It proved to be very successful and served to avoid the typical vacation from reading after the close of school. I plan to continue the summer reading program in 1986.

In 1985 a group of concerned citizens formed a non-profit, volunteer organization called the Friends of the Maxfield Public Library of Loudon. Currently they are underwriting the restoration of an 1885 book which contains the history of Loudon. This book is in great demand for genealogy research and by students. An early Spring fund raiser is planned to generate some money to be used to purchase books in the literature area. They need the support of everyone in this endeavor.

Another achievement in 1985 was the creation of the Suncook Inter-library Co-op Card (SILC), whereby a library patron in good standing may take books from any of the participating libraries. These include: Barnstead, Chichester, Epsom, Northwood, Pittsfield and Loudon. The annual fee is only \$5.00 and should be very useful to both an avid reader or one doing research. Further information may be obtained at the library.

Please note that the library will be open some additional hours in 1986. Library hours at the Maxfield Library are:

	Monday	1 - 9 pm
	Wednesday	1 - 9 pm
	Friday.....	1 - 5 pm
SUMMER	Tuesday	5 - 9 pm
FALL		
(Trial basis)	Saturday	To be announced.

ROGER N. DOW
MELVIN W. MULKHEY

NEW HAMPSHIRE HUMANE SOCIETY

The 1985 totals of the number of animals from the Town of Loudon brought to the N.H. Humane Society shelter are as follows:

By the Animal Control Officer:

Dogs and Puppies	25
Cats and Kittens	1
Total	26

By Loudon Residents:

Dogs and Puppies	5
Cats and Kittens	16
Total	21

Total number of Dogs, Pups, Cats and Kittens from Loudon	47
---	----

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1985. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray and animal problems. We encourage the Town of Loudon, especially the Animal Control Officer, to use our services more in 1986.

Sincerely,

FRITZ T. SABBOW
Executive Director

REPORT OF THE SOLID WASTE/LANDFILL COMMITTEE

At the 1984 Town Meeting, the voters of Loudon rejected both warrant articles which both would have given the Town an alternative to the continued use of our rapidly filling, environmentally non-secured landfill. After that meeting, the Selectmen appointed a new landfill committee to reconsider the merits of joining the Concord Resource Recovery Cooperative or joining the Pittsfield Incinerator Cooperative. In addition, the Committee considered the construction of an environmentally secured landfill and the construction of a town incinerator as alternatives.

At a Special Town Meeting, held in June, the Committee recommended, and the voters accepted, joining the Concord Resource Recovery Cooperative, with 26 other towns, which would be entering into an agreement with Signal-Resco, Inc. of Hampton, NH for the design, construction and operation of a refuse to energy facility in Penacook.

As a Co-op member, the Town has been witness to the negotiations, agreements, financing strategies and overall difficulties in coordinating in a project that is estimated to cost \$47 million. The staff of the City of Concord and their engineers have done a commendable job under great pressure. The final agreements have been negotiated and Signal is expected to begin construction this summer.

For the Town's part, this facility will give us a minimum of twenty years of solution, hopefully starting in late 1987 as an alternative to an inevitable State-mandated closure of our landfill. This solution, however, will not be inexpensive. In fact, the days of economical solid waste disposal are at an end. In the Committee's opinion, this solution represents the best available for Loudon. The Town will have to pay for the transportation and disposal of our solid waste to the facility. In order to do this, we must construct a local transfer facility and hire a transporter. The Committee estimates that this can be done for under \$60,000. Since the Concord facility will come on line in late 1987 or early 1988, the Town must be ready ahead of time since it is extremely likely that the State will mandate the closure of our landfill as soon as the first trash is burned in Penacook.

Warrant Articles and enable the Committee to continue their work of 1985 and begin the physical planning and design of the transfer facility during 1986.

Warrant Article deals with the Town's share, based on estimated solid waste tonnage, of belonging to the Cooperative.

The Landfill Committee respectfully requests that the voters approve these warrant articles.

In addition to planning the transfer facility in the coming year, the Landfill Committee will be considering the merits of recycling, the need for and location of a new stump and septage dump, how to dispose of construction materials, furniture and scrap metals, and most importantly, what will be required in order to safely and environmentally close the existing landfill - another costly problem.

The Landfill Committee hopes to meet on a more regular basis this year, and we are open to any suggestions and/or comments regarding any solid waste related issues from the residents of Loudon.

Copies of the study report for the June, 1985 Special Town Meeting are available on a limited basis from the Selectmen's Office or the Landfill Committee.

The Landfill Committee expresses its sincere appreciation to the Selectmen for their cooperation and guidance during 1985, and we remain committed to doing our best in the interest of the entire Town in the year ahead.

Respectfully submitted,

Loudon Landfill Committee
WILLIAM CHESLEY
ARTHUR COLBY
KEVIN GULLAGE

GLENN CHOUINARD, Chairman

LOUDON RECREATION COMMITTEE and SUMMER RECREATION PROGRAM

The Loudon Recreation Committee was deeply saddened by the death of one of its members MR. HOMER LABONTE this past year. Homer has always been interested in the youth of Loudon and joined the Loudon Recreation Committee in 1984 to help the Committee put together a recreation and park master plan for the Town of Loudon Recreation Area, then known as the Symonds Property, which the town had acquired in 1981. Homer wanted to make sure the new park contained plans for tennis courts for the use of adults and youths in Loudon. We have complied with Homer's wishes in the planning for the park. You will be asked to vote on warrant articles at this year's town meeting which will enable the town to build those tennis courts, a basketball court and a soccer and baseball fields as well.

The Recreation Committee with the support of the Selectmen and after a lot of hard work submitted an application for a federal matching recreation grant this past fall. Twenty four N.H. Towns and Cities submitted grants on a competitive basis of which only twelve would receive grants. Loudon's application was ranked 2nd in the State out of 24, trailing only the City of Manchester. Loudon will receive a \$40,000.00 dollar federal grant which must be matched dollar for dollar with town money giving a total of \$80,000.00 to construct recreation facilities at the Loudon Recreation Area. Out of a total appropriation of \$80,000.00, \$40,000.00 will come from the federal grant, \$17,000.00 from an already established town capital reserve account from past years' town meetings for recreation facility development, and \$8,000.00 from this year's revenue sharing; which leaves \$15,000.00 more to be raised. Thus a vote for \$15,000.00 this year will enable the Town to begin construction on \$80,000.00 worth of recreation area facilities at the Loudon Recreation Area. With federal cutbacks it is unlikely that we will get a second opportunity for a \$40,000.00 grant for recreation area development.

The committee had input from numerous town residents in drawing up the plans for the park including all the youth sports leagues in town, the Selectmen and the conservation commission. The park plan includes something for everyone. How much the town is able to construct when funding is approved will depend on how favorable construction bids are and what the town and local volunteers can help out with. The more volunteer help we receive from town residents the more recreation facilities we will be able to construct for our available funding. If you would like to help out let the Selectmen or a member of the recreation committee know now!

The Loudon Summer Recreation Program completed its seventh year of operation with a continuing healthy enrollment of Loudon children. Approxi-

mately 40 children attended the daily recreation program conducted at the Loudon Elementary School grounds. Daily activities included a well planned arts and crafts program, sports activities and tournaments, games and a daily “special event”.

This year’s three bus trips for families and/or their children were to Bear Brook and Ellacoya State Parks and Wallis Sands State Beach for a day of ocean swimming and picnicking.

The program continues to benefit from the donations of games and volunteer help by many members of our community. Donations and volunteer help are gratefully accepted and any persons’ wishing to donate items or volunteer to chaperone or aid the Summer Recreation program may do so by contacting the Selectmen or a member of the recreation committee.

The committee also wish to acknowledge the continued support for the summer program and the recreation committee by the Selectmen and wants to offer a special thanks this year to Kevin Gullage and the Town Road crew for the construction of the access road to the Loudon Recreation Area.

Respectfully submitted by members
of the Loudon Recreation Committee

CHARLES W. CHRISTY, Chairman
JILL and HARRY HADAWAY

	<p>1. The first of these is the fact that the number of people who are employed in the service sector has increased steadily over the past few years. This is due to a number of factors, including the fact that the service sector is becoming increasingly important in the economy.</p>
	<p>2. Another factor is the fact that the service sector is becoming increasingly important in the economy. This is due to a number of factors, including the fact that the service sector is becoming increasingly important in the economy.</p>
	<p>3. A third factor is the fact that the service sector is becoming increasingly important in the economy. This is due to a number of factors, including the fact that the service sector is becoming increasingly important in the economy.</p>
	<p>4. A fourth factor is the fact that the service sector is becoming increasingly important in the economy. This is due to a number of factors, including the fact that the service sector is becoming increasingly important in the economy.</p>
	<p>5. A fifth factor is the fact that the service sector is becoming increasingly important in the economy. This is due to a number of factors, including the fact that the service sector is becoming increasingly important in the economy.</p>
	<p>6. A sixth factor is the fact that the service sector is becoming increasingly important in the economy. This is due to a number of factors, including the fact that the service sector is becoming increasingly important in the economy.</p>
